Hi Church family!

Our youth had a fantastic weekend last weekend as we joined 700 other youth from Arkansas and Oklahoma. We worshiped our hearts out, had fun with our fellowship, stopped into break-out rooms (ask some youth about crazy things found in the Bible.) and we had meaningful youth group times in the hotels at the end of the day.

These youth keep me proud, they stay so engaged during worship, and they stepped up to lead themselves and care for each other so much throughout the weekend.

I also want to say a big thank you to Clint, Bailey, and Jennifer who helped this weekend with the youth. These weekends always remind me that the youth of the church are set up well, and they are growing from a legacy that is larger than them. Thank you for all the support that each and every church member provides, from your financial support to your presence to your prayers.

Peace,

Andrea

The Harbor Home for Women is a faith-based restoration home for women coming out of the darkness of addiction. The Harbor Home has been housing and helping women launch an exciting new life of power, passion and purpose for 6 years and, to date, 85% of their graduates are living full lives, clean and sober, raising their children, many attending college, starting their own businesses and becoming great employees for local companies.

Currently, Harbor Home is in Conway, but another home is now being built in Vilonia close to the Veterans' Museum. They are excited about having an additional location and being part of the Vilonia community. They appreciate Vilonia UMC's support.
