Hi Church Family!

This weekend you might notice that several of our young people are missing. That is because they will be spending a weekend in worship and fellowship with hundreds of other youth across the state at Veritas. If you didn't know Veritas is a youth-planned event. A task force built up of youth and a few adult advisors work all year to put together this event. This year, even the main band will be all youth! I think it is amazing to see the youth come together as the church of today and take charge of making faith-filled events like this. So taking that cue, here is what a couple of our youth have to say about Veritas.

"Veritas to me is fellowship and building relationships with other methodists and the Lord. It is also a time when you can sit and think about everything the Lord has done for you or someone that needs him." -Richie R.

"Veritas to me means new friendships and fellowship. Veritas is a big opportunity to build relationships with people your age. Break-out rooms help with making new connections and stepping out of your comfort zone." -Emilie B.

All in all, we are pretty excited about this weekend, and we ask that you pray for our travels and that we are aware when the spirit is moving among us. We cannot wait to tell you all about it next week!

Blessings, Andrea
