VUMC Family,

As we begin our stewardship series this week, I want to invite you to consider signing a pledge card. By filling out your pledge card you are committing to the ministries and mission of the church in Vilonia, as well as helping us put more resources towards the ministries that matter to us.

When I arrived at VUMC, one of my first orders of business was to set up my tithe. I knew it was important to me to make a monetary investment into the life of the Church. I believe in the missions and supporting it with my prayers, presence, gifts, service, and witness is done in part by tithing. I will be signing my pledge card on Sunday and hope that you will also consider filling one out.

Doing so helps the leadership of the Church to create a plan for how we will do the mission of the Church in the coming year. Over the next few weeks I hope that you will keep an eye on the newsletter as I will be having ministry leaders tell stories about what our tithing does for their ministries.

Peace,  
Chad
